

# Find your ring size

1. Choose a ring which fits the finger you'll wear it on. If you're planning on gifting someone you love with a surprise, try to borrow a ring that fits the correct finger and match it as per the process below.
2. Hold the ring and find the correct sized circle below by placing it on the chart below. The inside edge of the ring should match the closest circle in size. If the ring sits between two sizes, select the larger size.
3. If in doubt, either come into Crown Family Jewellers for advice and a proper size assessment or give us a call. We are happy to resize any rings purchased from us, free of charge.

## CONFIRM PRINTED SCALE

1. Prior to printing, ensure that page scaling is set to "None" in the print dialog box.
2. Measure the scale bar on the left to ensure it is exactly 1 inch or 30mm long. If the measurement is not accurate, check that you are printing the page at full size and reprint before continuing.
